

Travel "Ocean to Ocean " with us... & see the building of the new set of larger locks on the Atlantic side of the Panama Canal.

Tour Highlights:

We will take you from your Hotel on the Pacific side.... cross over the Continental Divide... & reach the Atlantic Ocean entrance of the Canal.... in one hour... by car! After seeing the actual construction from an "overhead side angle", at the recently-built Visitors' Center for the new set of larger locks, we're able to also listen to the explanation that the Panama Canal Authority's Tour Guide gives us over the P.A. System.

Afterwards, we will watch a priceless video documentary... & then start our return to the Pacific side of the Canal. We'll stop at the Miraflores Locks Visitors' Center for not only lunch, but also viewing of the locks in the present day Canal.
